## OUEA Bargaining Update

**December  
2015  
Issue 7**

The parties met on December 9, 2015.

The District presented a counter proposal to the Association's compensation proposal from December 2. The counter proposal didn't bring the parties any closer to an agreement, therefore making the negotiation process slow and arduous.

The District's negotiation team is waiting for further direction from the School Board regarding any changes to their compensation proposal.

The OUEA's negotiation team is requesting a solid presence of OUEA members at the December 10, 2015 School Board meeting. Show up wearing your school shirt/colors at 7pm at the District Office.

Pending the outcome of the December 10th School Board meeting, a bargaining date has been *tentatively* scheduled for December 17, 2015.

If you have any questions, please contact the bargaining team.
